

Dear Heating Unit,

II Cor 5:17 Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.

I trust the Lord is blessing you in this New Year as you walk with Him !

Boys and Parents

My Parents were able to fly in from Nashville Tennessee to visit us over the boy's Christmas break from College. It was also a joy to visit with our three young men before their return to College. Last night Chris and I talked to the twins on the Phone at College, as they and their younger brother were celebrating the twins twentieth birthday. Chris and I praise God for the way he is working in our boy's lives and hearts. Jacob is planning to work in a Church plant in Chicago over the Summer, Caleb is planning on working at the WILDS camp in N.C., Daniel already has a job lined up in Sterling Heights Michigan.

63

That number represents the number of Churches Chris and I have visited over the past seven months. Pray for us as we are very busy the next three months with meetings in Maryland, New Jersey and Pennsylvania. Thank you for your prayers, we will see at the end of this month which Churches that we have visited, have voted to underwrite our support. We need to raise new support to fight inflation, nine dollar a gallon gas prices in Scotland, and to raise our support to help pay for the Utilities of the Missionaries homes in which we stay in Scotland.

Connor

Connor was a neighborhood boy back in Scotland that has known our boys for eighteen years. Connor was raised by his Grandmother as his Parents divorced early in his childhood. Connor attended our Soccer Ministry in Scotland, and would ask our boys questions as to their beliefs. A month ago Connor's Grandmother passed away. The next morning he knocked on our door and asked the single lady Missionary staying in our house, "Could you please show me how to become a Christian ?" For the next twenty minutes Connor stood in front of our house while an American Missionary named Lea, led him to a saving knowledge of our Lord Jesus Christ ! Pray for Connor that he would grow as a new Christian, and follow the Lord in believer's baptism.

Thank you for your faithful prayers and support over the past year.

Heating Unit prayer requests

1. Pray that God would give us the right meetings in the right Churches at the right time.
2. Pray that the contacts that I'm trying to reach, are able to be contacted, it was a rough week this week even finding Pastors in their offices.
3. Pray as I attempt to memorize three chapters in the book of Philippians, right now I feel like I'm trying to chop a tree with a dull axe. Let me know of any good memorization tools you use to memorize Scripture.
4. Let us hear from you, with what God is doing in your life !

In His Grip,

Don and Chris Dillman
