

Heritage Baptist Church

STEVEN T. HATHAWAY, PASTOR

Tuesday, March 22, 2011

Dear Friends,

Thank you for the faithful support you have given us over these many years. I do apologize for the lack of communication on our end. Over the past year we have been busier than ever before.

Thankfully we are glad to report that we have been experiencing tremendous growth in all areas (financially increase and spiritual growth). This growth has now made it possible for us to no longer need missionary support. This April, Heritage Baptist Church will be voting to take responsibility for 100% of our financial needs.

April 4th, 2004 was a great day as we saw HBC hold its first service. April 3rd, 2011 will also be a great day as the church moves forward to be fully supported by the many individuals who call Heritage Baptist Church home.

Thank you for standing with us through all these years.

Because of Christ,

Pastor Steven T. Hathaway
